

Exploring Online Chapel

For God gave us a spirit not of fear but of power and
love and self-control. (1 Timothy 1:7)

**(Optional) invitation to transition
from *recording* to *reimagining***

Let's start with
the basics.

Underline where you are currently:

Do you have webcam, audio, and
strong internet*? **(yes/no/still thinking)**

Do you have a "room" or an online space where
you could gather students, much like we are
meeting here? **(yes/no/still thinking)**

Will you be gathering your entire student body
into one "chapel space" or breaking out into
smaller chapels? **(yes/no/still thinking)**

*Internet where you could video conference or watch a movie :)

Today we'll reimagine with examples, considerations,
and questions.

But first, let's open with a short prayer.

Let's break down some of those beloved chapel elements and brainstorm about them in an online setting.

Which of these things do you find most mysterious about God right now?

- ✓ A) What God is doing in my life
- ✓ B) God's existence and importance (is God real and does God matter?)
- ✓ C) What God is doing about suffering
- ✓ D) How God is Tri-une ●

Overall, look for places where you can "flip" your chapel using visuals, polls, chat, and tools. Think about your chapel in beats. Each beat needs at least one slide.

Welcome Mrs. Ramirez! We're so honored to have you this morning!

While we're a school full of students from around the world, our main campus is located in Westlake, CA not far from where you live. 😊

Can you tell us a little bit about yourself, your family history, and what experiences with agriculture brought you to Southern California?

“Were You There?”
Written by an African-American
experiencing slavery pre Civil War

Were you there when they crucified my Lord?
Were you there when they crucified my Lord?
Oh, sometimes it causes me to tremble, tremble, tremble.
Were you there when they crucified my Lord?

Were you there when they nailed him to the tree?
Were you there when they nailed him to the tree?
Oh, sometimes it causes me to tremble, tremble, tremble.
Were you there when they nailed him to the tree?

Were you there when they laid him in the tomb?
Were you there when they laid him in the tomb?
Oh, sometimes it causes me to tremble, tremble, tremble.
Were you there when they laid him in the tomb?

PSALM 42:8a

Here is a song written to help really hang onto how much God loves us.

<https://www.youtube.com/watch?v=HqpNGYbcy3U>

NARRATOR: At dawn Jesus was standing on the beach, but the disciples couldn't see who he was. Jesus called out:

JESUS [yelling out]: Fellows, have you caught any fish?

Disciples/Everyone Else: No!

JESUS [cupping mouth for volume]: Throw out your net on the right-hand side of the boat, and you'll get some!"

One day Jesus came from Nazareth in Galilee, and John baptized him in the Jordan River. ¹⁰ As Jesus came up out of the water, he saw the heavens splitting apart and the Holy Spirit descending on him like a dove. ¹¹ And a voice from heaven said, "You are my dearly loved Son, and you bring me great joy." ¹² The Spirit then compelled Jesus to go into the wilderness, ¹³ where he was tempted by Satan for forty days. He was out among the wild animals, and angels took care of him. (Mark 1:9-13)

Scripture

Which of the five senses does Jesus use to heal?

#2: Jesus heals someone from a fever

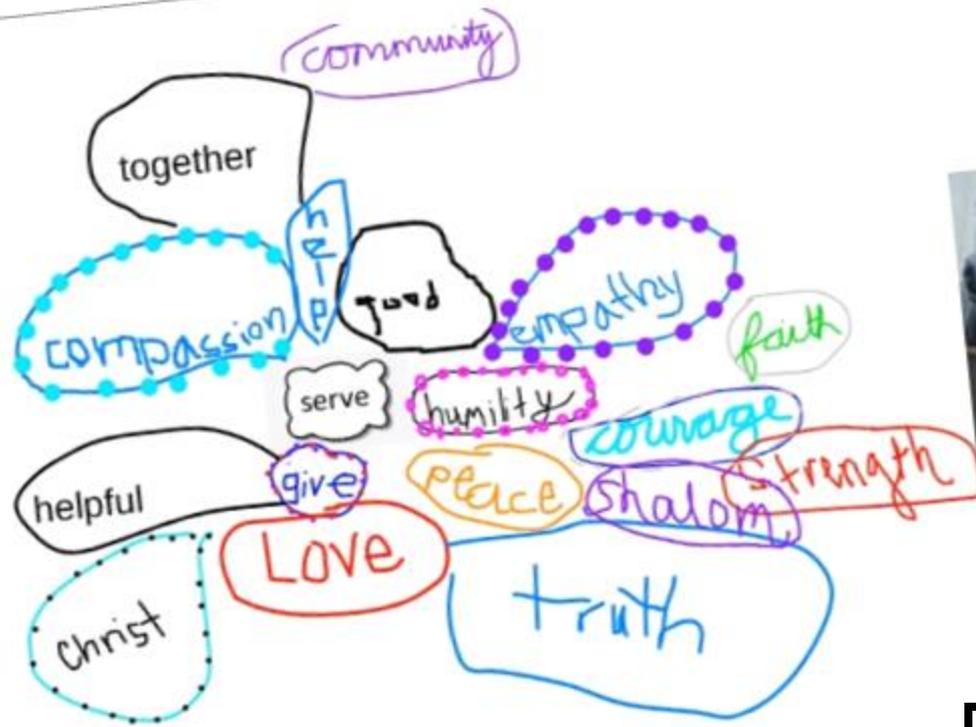

²⁹ After Jesus left the synagogue with James and John, they went to Simon and Andrew's home. ³⁰ Now Simon's mother-in-law was sick in bed with a high fever. They told Jesus about her right away.

³¹ So he went to her bedside, took her by the hand, and helped her sit up. ~~Then the fever~~ left her, and she prepared a meal for them.

³² That evening after sunset, many sick and demon-possessed people were brought to Jesus. ³³ The whole town gathered at the door to watch. ³⁴ So Jesus healed many people who were sick with various diseases...

Fun!! Remember that being online can be isolating.
Students always appreciate when we work to lighten up the time we share together. :)

Remember: we can have stellar slides, super activities, and an awesome laptop, but if we don't have love, we're just a clanging symbol.
(I think Paul said something like that 😊)
