

Course Description

Ramp Up is a great way for new students to get to know our OC Online program. This short, summer course introduces students to our systems and prepares them for their fall online classes. Practice assignments and discussions outline expectations and provide quality practice for submitting assignments, using online etiquette, and communicating with teachers. Ramp Up lays the foundation for a successful beginning of the new school year.

Summer Ramp Up is approximately a 2-week course (equivalent to about 3 hours). This course consists of 4 units and is not credit-bearing.
